

HILLEL

UNIVERSITY OF MICHIGAN

2019-2020

While it is challenging to look back and recall the year before everything changed in March, I would be remiss if I didn't start by sharing with you some of the tremendous successes we felt throughout the year. Bringing on a new Springboard Innovation Fellow, Caroline Dorf, allowed us to exponentially grow our engagement of freshmen last year, doubling those attending the Freshmen Retreat and providing a year-long source of support for students in their first year of college. Our student leaders also brought the Nice Jewish Ball to a whole new level by hosting it in the Big House with time on the field for all student attendees. And we led a meaningful Trip to Israel for Campus Leaders, showing them the diversity, complexity, and significance of Israel.

We also experienced tragic loss, with the death by suicide of one of our student leaders, Ezra Seegull z"l, and later in the year by Noah Cutler z"l, a UM medical student who previously chaired MEDx – our Hillel's pre-med group. Ezra and Noah were smart and funny and they both cared deeply about making sure others felt welcomed and included. We continue to honor their memories every day by ensuring students know we are here for them and they can find a home in Hillel.

What stands out as a warm memory for me was hosting VP of Student Life Royster Harper, alongside President Schlissel, in a special Shabbat dinner to honor VP Harper upon her retirement after decades of service to the university. We were able to engage in an intimate Q&A after dinner, in which she shared both stories of leadership and stories about her own faith and values with students, staff, and parents.

Royster shared with us the lesson that she learned from her Jewish friends of Dayeinu – that we keep striving to do more but are also able to recognize and appreciate when we had done enough for now. Royster's message stuck with me last year while we did everything we could to keep connecting to students dispersed across the country and then begin planning amidst the uncertainty of what the next school year might look like. Her lesson of Dayeinu was the reminder that we needed, that while we will always strive to do more, reach more students, make more Jewish connections, we also need to rest and feel satisfied knowing that we have done enough given all that we are navigating in this time.

I thank my Hillel colleagues, our Board of Trustees, and all the student leaders for all of the ways they sought opportunities to continue to bring programming, connections, community, and Jewish life to our students. And I hope they feel a sense of Dayeinu – enoughness – knowing they continue to make a difference.

Sincerely,
Tilly Shemer (née Shames)
Executive Director

The 2019-20 academic year may have been filled with highs and lows, but through it all I have been incredibly proud of the way in which our student, staff, and donor communities came together. At each step, Hillel was focused on providing students - on and off campus -

with the best possible support services. The 2019 fall semester was filled with a plethora of active programs and holiday celebrations, and though the 2020 winter semester was cut short, it too was full of virtual engagement and learning opportunities.

It gives me great pleasure to boast that Hillel leadership spent the summer realigning our priorities and planning so that our new and returning students could continue to partake in programming, enjoy Kosher meals, join Shabbat services, explore new social and spiritual opportunities, and engage in many other rich Jewish experiences. How wonderful to see their focus

undeterred in providing connectivity, comfort, and guidance for students in a safe and welcoming environment.

Hillel continues to have an incredibly talented staff and Board of Directors. I am confident that under the direction of our outstanding Executive Director, Tilly Shemer, the staff, and the student-led Governing Board, Michigan Hillel will continue to adapt, evolve, and support U of M students at the highest level. As a hub of cultural, social, and educational experiences, Michigan Hillel programming is fluid and ever-evolving in these challenging times. Most importantly, Hillel remains a constant on campus, providing - whether virtually or in-person - a home for Jewish students and a place to get involved, learn, grow, and develop.

Please visit our website to always stay up to date on our wonderful offerings, and remember, Go Blue!

Susan Slabotsky

Susan Slabotsky
Chair, Board of Trustees

What a year this was. When I reflect on it, I think of how much has changed, and interestingly, how much has not. Our Michigan Hillel community - strong, close, and resilient - had remained just as much so as we were before, if not more as a result of these

challenging times. It has been quite moving to see how beautifully our community has adapted to meet the needs of so many students, near and far. As we always do, our staff, student leaders, and members of the Ann Arbor community, too, come together to support one another in both happy and difficult times.

Each time I walk through our Hillel building, I am reminded how lucky I am to have found this organization and space that fosters relationships,

encourages participation and dialogue, and supports students in their endeavors during the most transformative years of their lives. It is a safe space, a creative vessel, house of worship, and social anchor for thousands of students at UofM and I thank you for making much of that possible.

While some things may change over the new academic year, what I am sure will not change is the way in which we support one another. There will still be laughter and chatter that fills our halls, though maybe not as loud and large as before for some time. But in each moment I will be reminded that our community that we have built at Michigan is truly constant, connected and ever-lasting.

MAZEL TOV,

SENIOR LEGACY CAMPAIGN

Dori Greenberg ('20) & Ben Katz ('20)

During our last semester as Michigan students, the Senior Legacy Committee worked tirelessly to raise money to leave our mark on the Hillel community. Hillel has given us, as students, so much over these last four years, so it was only fitting that we enable them to continue doing so for other students moving forward. Typically, the Senior Legacy Campaign raises money towards a gift to leave behind as our legacy at Hillel. However, this year has been far from “typical,” so instead of fundraising for a tangible gift to donate to Hillel, we decided to pursue a different route to cement our legacy. We turned our efforts into the “Senior Legacy Community Campaign.” All money raised through this campaign was put toward helping our entire Hillel community during these hard

times and in the months to come. As Seniors who had never ran a fundraiser before, this was an amazing learning opportunity as well. We're incredibly grateful for the guidance and support of the Hillel staff who have enabled us to make a large impact on our community.

Class of

CLASS OF 2020

SENIOR L'CHAIM

Yoav Jacob ('20)

Given the way the end of the semester played out, I was so happy to have been given a space by Hillel to celebrate and come together with my fellow seniors one last time. It was so fun to recognize the achievements of our class over the years and take the time to reflect upon the wonderful experiences as leaders and members of the Michigan Jewish community. I especially thought the senior 'awards' gave the event an endearing feeling that made the virtual experience still very sentimental and authentic.

SENIOR SEMINAR

Anonymous ('20)

This program became a space for me to reflect on the changes that were happening both as a student and young Jewish professional about to step into the world. It was nice to be among people who understood and shared my worries and fears. I really appreciated the emphasis on empowering students to host others at home, create Jewish homes, and prepare and serve Shabbat among friends.

WELCOME,

FYSH LEADERSHIP COHORT

Alana Wilck ('23)

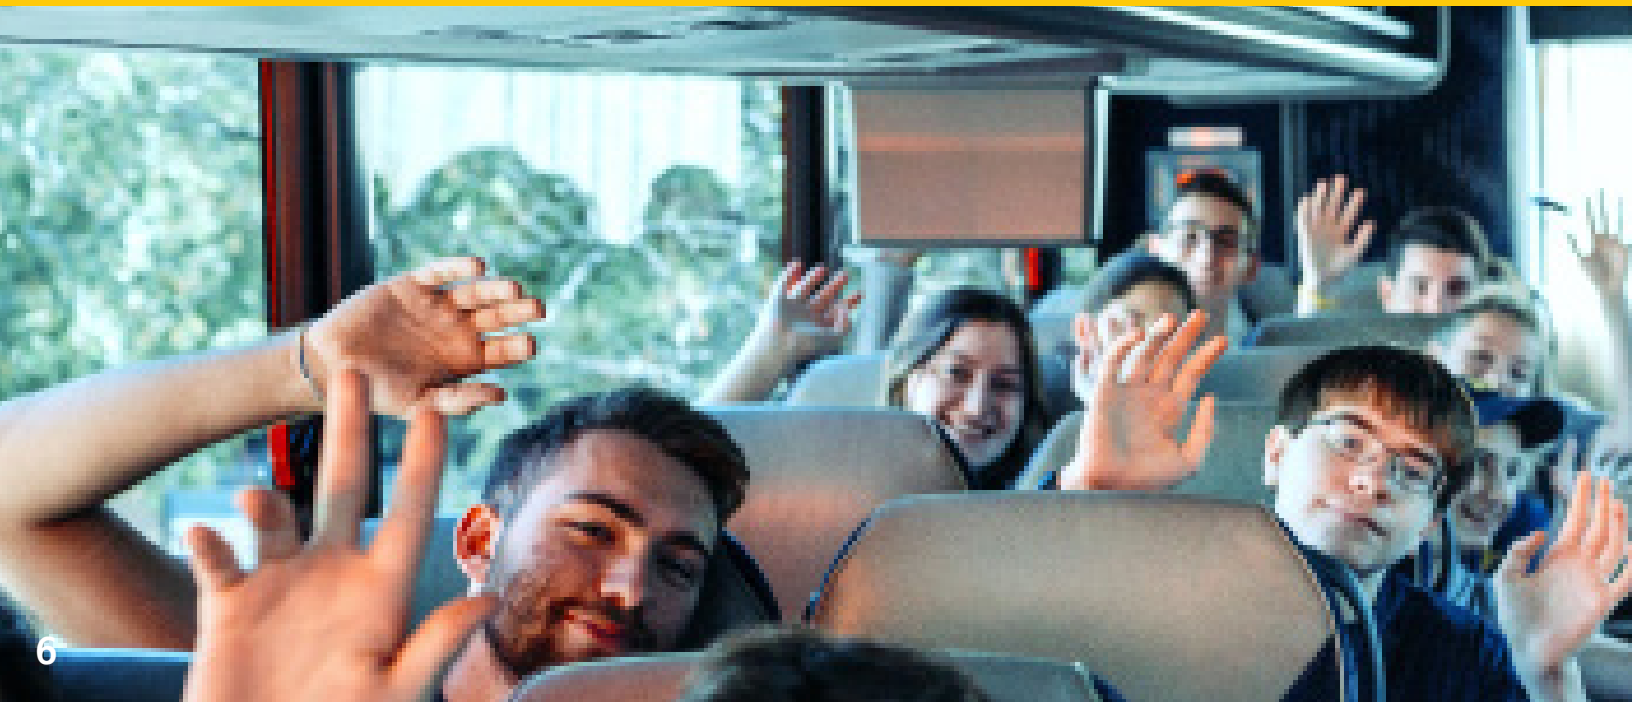

Coming to Michigan, I was eager to become involved in Hillel because I had significant involvement in my Jewish community in high school, through summer camp and youth group. After adjusting to school with the first semester, FYSH seemed like the perfect opportunity to meet other new Jewish students and help plan Hillel events. Through FYSH I have made many new friends, helped to organize and plan events for incoming Jewish freshmen, and strengthened both my leadership skills and connection to Judaism. Whether through FYSH Leadership meetings, Shabbats, outside of Hillel events, and coffee dates I have done with freshmen, I have found my Jewish home on campus and cannot wait to continue my involvement in the future.

FRESHMEN RETREAT

Lily Israel ('21)

The Hillel Retreat was the best way to start freshman year. I got to move in early, which was so nice, and I met so many people that I'm still friends with today. I had so much fun on the retreat and felt so comfortable with everyone. Starting school I already had so many friends and felt so much more comfortable on campus. The retreat was a great way to feel welcomed into Hillel and Michigan.

CLASS OF 2023

FRESHMEN SHABBAT

Zach Corsun ('23)

FYSH Shabbat was a really nice experience for me and my peers. As I hadn't been able to really attend a Shabbat dinner for a few weeks before that, it was even more special that I got to share it with some great friends and meet a lot of freshmen who I wouldn't have been introduced to otherwise. It was great because the atmosphere to meet similar people was enjoyable and also because it felt great to put together an event that others appreciated. My involvement with Hillel and FYSH in particular has been a great experience thus far. FYSH Shabbat was a big reason why I feel as comfortable as I do around these individuals and why I feel at home at Hillel.

STUDENT-LED ENGAGEMENT

BAYIT

Emily Nakisher ('21)

I think we can easily take for granted the time we spend with our friends while in college. But our Bayit events really made me appreciate how special it is to be able to bring together friends. Bayit especially provided a nice opportunity to gather friends who we hadn't seen in a while over to our shared house for a delicious meal.

jNET

Ben Fallick ('22)

jNET allowed me to see the great variation in Jewish practice on Michigan's campus. There are so many different people with different backgrounds and jNET allowed me to look at how I can bring my Judaism outside the walls of a synagogue or Hillel's building. I really enjoyed being in the cohort because it gave me another community on campus to connect with people. I enjoyed learning together, the jNET retreat, and working with other fellows.

HOST AT HOME

Ilana Moffet ('21)

Shabbat has always been an important part of my Jewish identity and of my week, whether it's shared with my family in Baltimore or my friends in Ann Arbor. The opportunity to host Shabbat through the Host At Home program allowed me to share with my friends why Shabbat is so special to me. It was a unique and personal experience that strengthened my Jewish identity as well as my friends' Jewish identities.

HILLEL ACROSS CAMPUS

LUNCHES ON SOUTH QUAD

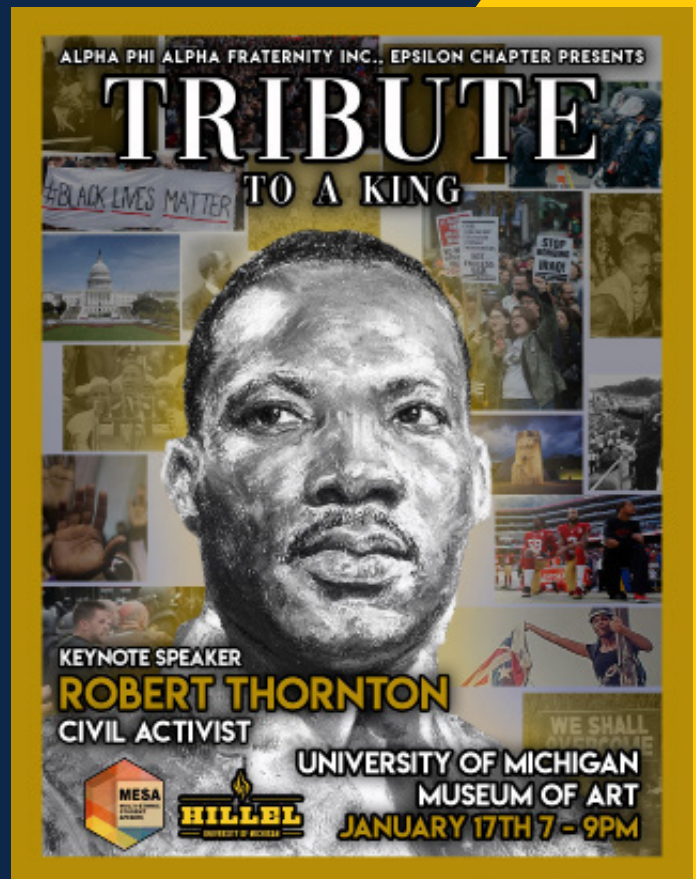

Ethan Jesselson ('23)

Having Lunch and Learn with Rav Jared was definitely one of the highlights of each week. The topics learned were always out of the box and engaging. Lunch and Learn was a big staple in my week, giving me the opportunity to take a break from the chaos of the school week and learn Torah. Similarly, having a set time during the week to meet up with many of my Hillel friends was something I really valued and looked forward to. Can't wait for next year's Lunch and Learns!

INTERFAITH MLK DAY

Rav Lisa

As part of our engagement with Racial Justice and campus-wide community building through Hillel, we welcomed guests from communities of color on campus to Shabbat dinner on January 24th 2020. Following dinner, Hillel student leaders co-hosted a conversation about identity, community, and relationship building in service of justice with members of Alpha Phi Alpha fraternity. Hillel leaders also attended Alpha Phi Alpha's Tribute to Rev. Dr. Martin Luther King Jr., an event co-sponsored by Hillel.

SHABUM

Justin Pollack ('21)

ShabUM gave me the chance to bring together a bunch of different groups of my friends (camp, school, my housemates) and I got to provide them with what I love to do most — cooking and baking — all in the context of creating a warm community, my favorite Jewish value. What's most fun about ShabUM is that I get to have the help and support of my friends who will be eating the meal later that day. My favorite ShabUM tradition that I have created is making the challah dough on Thursday night and inviting my friends over to braid it on Friday during the day. Every time I have hosted a ShabUM, it ends up being one of my friends' favorite nights of the year because it is wholesome, refreshing, and delicious!

SHABUM

Katherine Podolak ('20)

Being able to have friends over to my home who had never had a Shabbat experience before was one of the best things about ShabUM. It felt amazing to be able to engage with my Judaism in a spiritual, teaching way to educate my friends. I loved helping them understand and embrace Shabbat and Judaism in general.

COMMUNITY BUILDING

KOL HAKAVOD COMPETITION AT KOL HAOLAM

Joshua Nathanson ('21)

Our a cappella group, Kol HaKavod, traveled this year to perform at the 2020 Kol HaOlam Competition in Washington, DC. Interacting with all of the other groups was undoubtedly the greatest part of the whole weekend. Each and every group attending was extremely talented and passionate about Jewish music, which resulted in an awesome, high energy environment where people could be themselves and share their passions. Our performance in the competition was unlike anything I had experienced before. Every single member danced, sang, and most importantly, had the most fun I had ever seen on stage. It proved to be a truly surreal experience that I will continue to look back on with a big smile and some powerful emotions.

MENTAL HEALTH SERIES

Sam Langstein ('20)

This year Hillel hosted a 3-Part Mental Health Series for students. For me, it was deeply moving to be able to be a panelist for the Spirituality and Addiction program. As someone who's been in recovery for many years, it felt like such a big step for me to be able to speak to a group of undergraduates and community members about the importance of overlaying recovery work with Jewishness. I thought about how moving this program would have been to me when I was an undergraduate and first starting recovery. This program also felt like a big step for our community as a whole in improving the mental health and coping skills of our community.

TUESDAY SCHMOOZEDAY Nate Temkin ('21)

Tuesday Schmoozedays quickly became a weekly tradition for me and my friends. It was great to have an excuse to hang out at the Union in between classes on Tuesdays with Caroline. I got a chance to meet tons of new people through it, and it took some stress off of my week to chat with others about how their days had been going and the current events happening around campus.

BOWLING WITH JENGA JEngA Leadership

Bowling with JEngA was so much fun because as an academic focused group we don't get to do a lot of social programs. This event allowed us to connect with other Jewish students in engineering and really just focus on making new friends in our field as we prepared for finals season. You can never have too many study buddies!

ISRAEL LEADERSHIP

CAMPUS LEADERS TRIP TO ISRAEL

Amanda Kaplan ('21)

For 12 days during Winter Break, 20 Michigan student leaders traveled together throughout Israel to experience and discuss the complexities of the Israeli-Palestinian conflict firsthand. Hailing from a plethora of student organizations, personal experiences, political opinions, and more, we came together for this unique experience. Each day we met with different religious, political, social, and cultural leaders to hear their stories and incorporate their perspectives into our broader understanding of the conflict. These interactions manifested into large group processing sessions, individual debates, and discussions on the bus, as well as a wide array of questions. I came back to campus not just with a greater understanding of the conflict, but with new friendships and a determination to

use this newfound knowledge to engage in productive and honest discussion. I feel so lucky to have had this amazing opportunity and can't wait to continue having these conversations on campus.

I-LEAD'S 4 PART FAUDA WATCH PARTY

Rayut Berkowitz ('22)

I-LEAD's four-part *Fauda* series watch party and dialogue kicked off early October. This program encouraged students to dive deeper into the portrayal of the conflict through the Netflix series *Fauda*. This series has taken the world by storm and raises a lot of discussion on the representation of special operations in Palestinian and Israeli military as well as gender roles depicted in this show. Ph.D. student Yuval Katz joined I-LEAD for discussion on this complex series showing us how each character's role in the show plays a part in the greater conversation of media's peace portrayal. Yuval Katz is studying at Michigan's Department of Communication and Media, seeking to understand the theory of peace in the Israeli-Palestinian conflict through the digital and media lens.

ISRAEL SUMMIT MICHIGAN

Mara Zuckerman ('23) & Lauren Goldsmith ('23)

In November 2019, Michigan hosted their first Israel Summit at Michigan (ISM). After seeing the success of the initial Summit held at Harvard, the founders of ISM were inspired to provide Michigan students with the same, unique experience. This University-wide conference's goal was to expose undergraduate and graduate students to the cutting-edge innovation technology and products introduced by Israel, often known as "Start-Up Nation." The Summit featured prominent Israeli and American entrepreneurs and other business professionals who provided students with insight into their groundbreaking work. The Summit was highly successful in displaying the impressive innovative capacity that Israel possesses.

PEN PAL PROGRAM

New Pen Pal program brings joy to Jewish elderly.

With the sudden shift from in-person to virtual programming, our Hillel staff and student leaders demonstrated why they are known at Leaders and Best. While there were certainly moments of sadness and a sense of loss, students also sought opportunities to support each other, bring Jewish life through their computer screen to their peers, and maintain a sense of community spread across the country. Instead of just cancelling events or waiting until this moment passed, they demonstrated creativity and continued to bring thoughtful programming online in impactful ways.

Conservative services continued not just through the semester, but throughout the summer! Israel Day went from the Diag to social media platforms. Students sought meaningful ways to volunteer and reach out to those more vulnerable in our community. And then, in the face of continued social unrest and protests, our students launched an Anti-Racism Working Group to create a dialogue space to discuss race issues in our Jewish community.

During these challenging months, we quickly pivoted to new virtual platforms to meet student needs, stay connected, support one another, and provide meaningful content.

VIRTUAL PROGRAMS

SHABBAT TO GO

Dahvi Lupovitch ('22)

When classes got canceled, the cafe where I work had to close, and students began making arrangements about whether or not to go home. Everything seemed absolutely upside down. I am so grateful that Hillel was able to quickly organize to-go meals safely and efficiently. Getting a Shabbat meal amidst all of the chaos really helped ease some of the tension from the uncertainty of what was to come.

VIRTUAL SHABBAT SERVICES

Shabbat Committee

When shelter-in-place orders called for students to return to their homes mid-semester, we knew it was more important to welcome Shabbat together as a community than ever. From the first Friday after campus shut down, Rav Lisa live streamed a short welcome Shabbat service, with a few familiar tunes, and a Shabbat message. Student leaders from a variety of

backgrounds joined some weeks to engage in conversation and share their unique voices and Shabbat practices with their peers. While virtual Shabbat experiences are not the same as joining together in person, we are so happy some of these programs reached a wider audience of students, families, and alumni, and engaged the community in new ways.

SHAKSHUKA WITH OR

Ben Millunchick ('22)

Cooking Shakshuka at home with my parents was equally fun as it was kind of disappointing. But seeing some faces and hearing the voices of my Friday nights at Hillel was still so nice. The only thing that would have made it even better would have been if we were able to eat it all together. There is nothing better than a home cooked meal - especially one I grew up eating. It was great to be able to share that, virtually, with a community that has made my time at Michigan truly special.

CHALLAH FOR HUNGER CHALLAH BAKE CHALLENGE

Jess Steir ('22)

While at home during the quarantine, Challah for Hunger hosted a National Challah Bake Challenge to continue engaging our members and to get new students involved, too. Participants sent in photos of their challahs as entries into several of our Challenge categories. Hosting the Challenge was super fun

because everyone got to experiment and be creative in their own homes, often with their parents joining them. Most importantly though, the Challenge was a way to de-stress during this crazy time while staying connected to Judaism and the Michigan Hillel community as a whole.

VIRTUAL PROGRAMS

PEN PAL PROGRAM Hanna Schechter ('22)

Finding ways to give back to our community while social isolating could have been difficult, but not impossible. Writing letters to the residents of Hillside Terrace senior living home proved to be engaging and meaningful. I was given the opportunity to connect with senior members of my community during a troubling time and share stories, good books, and hopes for the future. The pen-pal activity embodied the idea of caring for our neighbors as we reach out to members of our community during this pandemic...connection in spite of isolation.

CHATS WITH CATS: VIRTUAL VOLUNTEERING

Abby Brewer ('22)

The Chats with Cats program was a great opportunity to keep students connected while also helping our communities and do a little show and tell with our favorite furry friends, too. This kitschy virtual program was a clever way to bring students together to discuss how remote volunteering can be just as meaningful and important as our usual in-person volunteering. It helped us all put things in perspective and feel grateful that we have the resources to keep us healthy and safe, but that there are many people who are not as fortunate. Chats with Cats brought to light a lot of ways in which students could stay active in their local communities and reach out to those who needed more support during this pandemic.

VIRTUAL HOLOCAUST REMEMBRANCE DAY

April 6, 2020

VIRTUAL HOLOCAUST REMEMBRANCE DAY

Mackensie Freeman ('22)

Each year for Yom HaShoah, SHARE hosts a 24-Hour Reading of the Names Vigil on the Diag, where we recite names of those who perished during the Holocaust. Due to the circumstances however, we unfortunately had to cancel our Vigil, but quickly came up with a way by which students could still honor Holocaust victims. For each hour between noon on April 6th and noon on April 7th, a personal video was posted to our social media channels, where students shared heartfelt messages of why Holocaust remembrance is important, what it means to them, and to recite the names of those who passed or dedicate their video in honor of a loved one. While it wasn't the same as our in-person Vigil, we were able to involve SHARE alumni and were excited to have two past presidents submit videos. We also were able to engage those outside of the Michigan community, who otherwise would not have been able to join us in-person.

L'DOR V'DOR LEGACY SOCIETY

Michigan Hillel has been fortunate to be chosen for the Harold Grinspoon Foundation's LIFE & LEGACY® program, which assists steadfast supporters in making our students a part of one's lasting legacy. Through our new L'Dor V'Dor Society, we recognize our greatest champions who have chosen to support Jewish students forever through bequest gifts, charitable gift annuities, life insurance policies, donor advised funds, IRAs, and other retirement plans.

Judith and Philmore Leemon (of blessed memory) were always very l'dor v'dor (from generation to generation). To choose Hillel as a way to leave a lasting legacy was surprising, yet so special to me.

Being a part of Hillel and continuing to be a songleader on Shabbatot gave me a space to be Jewish and a way to find Jewish friends. With that impact in mind, when my grandfather passed in 2001, my Bubbe decided on a shared legacy plan that would make an impact. She chose Michigan Hillel for a legacy gift as a deep expression of her gratitude for Hillel supporting me during my most formative years.

It was just days before my graduation when Bubbe passed and the Leemon family legacy came to life. That Shabbat at Hillel would be our family's first together saying kaddish, with me proudly leading services. Judith and Philmore's love was wrapped tightly around our family that weekend, and their legacy with Hillel continues to live on.

Anna Leemon ('17)

Over the past decade we have participated in Yom Kippur services at Hillel. We saw the energy, knowledge, and enthusiasm of the students who attend and participate in the services. As anti-Jewish actions have become more prevalent in this country and on this campus, we like the fact that Jewish students have a safe place to congregate, celebrate Shabbat and holidays, share ideas, and form friendships with other Jewish students.

The gift of a charitable annuity provided us with an opportunity to annually receive income while we are alive and make it possible for us to leave a legacy to Michigan Hillel in the future.

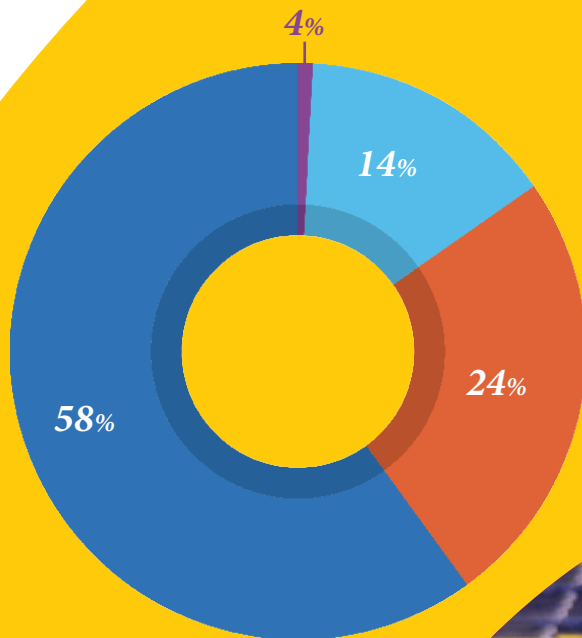

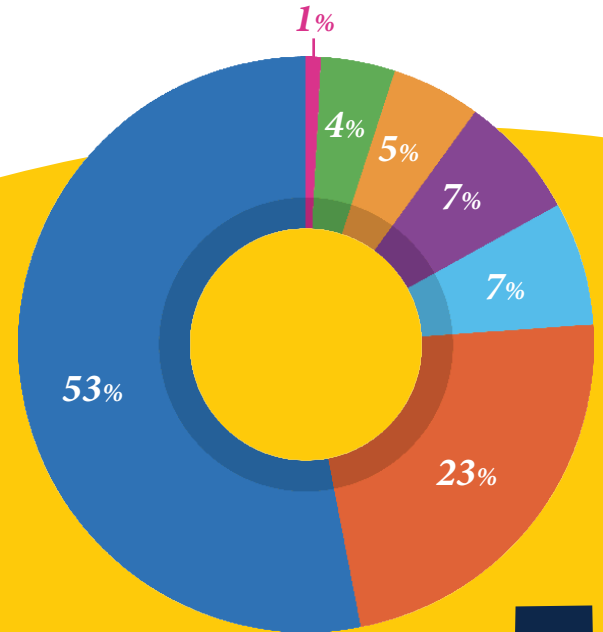

- Hanna & Peter Goodstein

To share that you have already made plans that include our Hillel or to explore legacy opportunities, please contact Stacy Carroll, Director of Advancement & Planned Giving.

EXPENSES

**Michigan Hillel
continues to be the best.**

I am continually IMPRESSED by the efforts

that Michigan Hillel has made to help students and families.

You have put together some innovative and amazing programs and I am proud to be part of this

COMMUNITY.

We appreciate Hillel's concern for the students during this difficult time for everyone. **What a wonderful**

support group and community!

Kol Hakavod *to all that you are doing to serve the community.*

Once again we must commend you for all of your efforts to keep the campus Hillel community connected. **I'm just so**

Michigan Hillel has always been a great

RESOURCE.

KNOW HOW APPRECIATED YOU ARE!

Our student is so lucky to have found such a caring and thoughtful community at Hillel.

Keep doing what you do and know that we are truly

APPRECIATIVE.

Please let us know how we might be able to support you in any way over the coming weeks and months.

Todah! You prove that we are one!

Thanks for all that you do to SUPPORT our kids!

I'm just so impressed at the job Michigan Hillel does.

KNOW HOW APPRECIATED YOU ARE!

We are so GRATEFUL

for all of your support that you provide our children.
