2020-2021 ANNUAL REPORT

HILLEL

UNIVERSITY OF MICHIGAN

Looking through this Annual Report, filled with students wearing masks, I can't help but reflect on how we might look back on this time years from now. It would be easy to see these photos and react with sympathy for these students and their experiences. Certainly, they faced challenges unlike any other class. But I hope that the story that is conveyed to you through our students' words and their smiling eyes is one of creativity, empowerment, resilience, and even flourishing.

Throughout this year, I was struck by how often I would see something new emerge or someone thriving in this time. I saw friends challenge themselves to prepare new recipes as they hosted Shabbat dinners in their homes each week. I heard the pride in our students' voices as they relayed to me how their housemates talked about their home traditions during the seder they led for the first time. I read about the profound impact our Jewish Learning Fellowship had on how our students felt about their Jewish identity and sense of community. I joined intimate online discussions, facilitated by our student leaders, with diverse chefs, musicians, educators, activists, and politicians speaking to us from their homes. I was touched by the students picking up Shabbat meals to bring to their friends in quarantine. And I read the stories of impact written by our Israel Big Questions class participants, sharing how much more confident they felt to speak about their relationship with Israel to their peers.

I am grateful to our staff and student leaders for all of the ways in which they sought every opportunity to uphold our Hillel values and continue to focus on community, empowerment, and engagement. I hope that after reading this report, you are feeling the same immense pride that I feel in our students and the way in which they reacted to this year with enthusiasm, creativity, and a sense of adventure. It was truly an expression of the Michigan Difference we feel every day.

As always, Go Blue,
Tilly Shemer
Executive Director

In a year when so many struggled, I am comforted that Hillel provided a refuge of support and community to the students who came to Ann Arbor and those who participated remotely. The rich

history of Judaism identifies numerous plagues we have had to overcome. In confronting the obstacles posed by the pandemic, I could not be more proud of the many ways in which our Hillel community rose to the occasion to support one another and nurture our community. Kudos to our Hillel staff and student leaders for providing such strong connectivity, stability, and religious activities through their reimagined outreach efforts and programming, both remote and in-person.

While we had to put so many of our fun, social, and more traditionally in-person activities on hold - from football games at The Big House to indoor dining and

Greek Life - the pandemic and social distancing forced us to reevaluate our values and our priorities. That said, we did not slow down with our Judaism or our Jewish community building. We provided resources and guidance for intimate Shabbat and holiday gatherings through our incredibly successful To-Go meal pick-up and Host At Home programs; created interactive Zoom sessions; and safely hosted several inclusive community events like our tented holiday gatherings, Bearclaw Coffee truck visit, and backyard Senior Celebration.

I continue to be incredibly proud of the Hillel staff for their dedication and unrelenting hard work. Regardless of what the year ahead has to offer, I am confident that together, we will rise to the occasion, and Hillel will continue to be one of the most special places on campus for our Jewish students.

Susan Slabotsky

Best wishes,
Susan Slabotsky ('84)
Chair, Board of Trustees

While the year felt so unfamiliar to students, professors, and staff members at the University of Michigan, I am extremely grateful that our Hillel

remained a vibrant, prominent, and supportive part of our campus community.

Though weighted by the restrictions of social distancing, we were able to safely host many religious and social events, and leadership training sessions to keep our community connected and engaged. Packed days of Zoom classes often made us long for a sense of social connection that I am proud Hillel was able to provide. Whether the events took place over Zoom or socially distanced in our backyard, it was touching to feel the overwhelming sense of togetherness and support from our peer community.

It was the holidays, which many expected to be one of the most challenging undertakings, that showcased the best of our Hillel as a family. Hundreds of students came together to host small-group holiday meals for their friends, listen to the Shofar being blown all across campus for Rosh Hashanah, lead intimate Seders for Passover, and organize celebrations over Zoom for students studying at home.

While I think we are all looking forward to a more normal future, I remain thankful for how our Jewish community on campus continued to grow over the 2020-21 year, despite all odds.

COMMUNITY REIMAGINED

FRESHMEN OVERNIGHT RETREAT

Ilana Mermelstein ('24)

“My experience with Hillel’s First Year Students Retreat jump-started my first semester at Michigan, giving me an opportunity to better navigate campus, make new friends, and become a part of its Jewish campus community. Retreat leaders, Zoe Drasner and Ben Fallick, were so enthusiastic about welcoming first-year students into Hillel with open arms. They made every effort to answer each question, teaching us all that they know about campus, offering advice, and serving as mentors. Afterward, I felt more prepared to begin my time at Michigan, knowing I had found my community in Hillel.

FYSH LEADERSHIP

Eden Gilan ('23)

“This past year, First Year Students of Hillel (FYSH) was able to serve as a resource to connect freshmen and support them as they navigated their first year at school. As a result of the record-breaking number of applicants for the 2021 FYSH Board, we took an opportunity to reimagine the structure of the group, creating larger cohorts and smaller task-focused sub-committees. Transitioning from a committee member to FYSH Chair taught me valuable lessons about being an effective mentor and taking the initiative to make a real impact. Looking ahead, I am eager to see how FYSH will grow and thrive throughout the next school year.

Bearclaw Coffee Truck

Max Steiger ('24)

“A cold winter day in Ann Arbor was instantly made warmer by the combination of a free drink from the Bearclaw Coffee truck and the sense of community among those in attendance. As a member of the FYSH Board (First Year Students of Hillel), I had the opportunity of greeting everyone safely and watching them smile from a distance as they tasted their first sip. It was a great event overall, filled with students of all ages coming together to enjoy each other's company and some really good warm coffee and hot chocolate.

Welcome Back Wellness Kits

Margo Dickstein ('21)

“Just as the new fall semester was starting, after what was a very difficult end of winter semester and of course, summer too, Hillel leaders came up with the great idea to hand out Welcome Back Wellness Kits to students. The kits were perfect and just what was needed to make me smile when I came back to Ann Arbor. It was like a little hug from my Jewish community on campus.

TIME MANAGEMENT TRAINING WITH DIANA BLOOM

Yonit Robin ('23)

“With the semester being completely upended by COVID, it was clear that I was struggling with how to prioritize my time with classes that were virtual vs in-person and asynchronous vs synchronous. Then I saw Hillel was hosting an event on time and task management. It was just what I needed. Diana Bloom, our presenter, was very thorough in how we can utilize all these online tools that could sync together to help us prioritize our schedules. My favorite take away that I will forever use is the difference between the “do date” rather than the “due date.” This has helped me stay one step ahead of all my assignments. Now I don’t feel as lost on how to start my day, week, or semester. I can hit the ground running.

FRESHMAN WINTER WARM UP DELIVERIES

Jaime Fuchs ('24)

“As a part of FYSH, I took on the project of delivering special Winter Warm Up gifts to freshmen around campus. Little did I know such a simple activity would turn into so much more. I was paired with another member to make deliveries, and within a few short hours, we became great friends. We continued our involvement in Hillel, making Shabbat meals and having a Passover Seder together, as well as hanging out outside Hillel activities too. While delivering, I had the chance to meet so many other students, and seeing how happy it made them really brightened up my day! I have made so many new friendships now through Hillel and can not express my gratitude enough. Hillel is truly so special to my heart and always will be.

JENGA GOES 3D

Josh Tenzer ('23)

“Last year JEngA decided to launch our own fundraiser to acquire a 3D printer. Our hope was to create JEngA-made products for Hillel’s Mem Den and for our fellow students. We also hoped to provide support to partner organizations like Tikkun Olam Makers (TOM), that build solutions to problems for people who have physical disabilities. It turned out to be a great success and we were able to purchase our first-ever group 3D printer. We look forward to getting to printing and hosting a Mezuzah Drive as an excellent demonstration of our mission in action and means to support new materials purchases in the future.

SEED SORTING FOR KEEP GROWING DETROIT

Sydney Weisman ('21)

“As part of our Martin Luther King, Jr. Day programming, a group of Hillel students participated in a seed sorting program with Keep Growing Detroit (KGD). In the past, I had volunteered at KGD in person, but the COVID-19 pandemic precluded volunteers from traveling into Detroit to participate on site. So instead, my friends and I forged ahead seed sorting at home, which allowed us to continue to help out an urban farm that we care about. We were given hundreds of seed packets and varieties to sort for KGD, which will allow them to maintain an organization system for future planting processes and provide future food to those in need. I am grateful for all of the COVID-safe opportunities that Michigan Hillel has offered me to be a part of throughout this year.

TEN DAYS OF TZEDAKAH

Hannah Schechter ('22)

“The Tzedakah Challenge through Hillel allowed students the opportunity to connect with local organizations like Alpha House, Food Gatherers, Ronald McDonald House and more. Students were able to donate non-perishable goods and kitchen supplies to families in need and were prompted to think about how we, as Michigan students, can serve our community while observing the High Holy Days this year.

LEARNING REIMAGINED

TILLY'S SPIRITUAL BOOTCAMP

Tara Snapper ('22)

“The Spiritual Bootcamp was a new and improved version of setting new years resolutions, and even better because it encouraged us to engage in the activities with our peers and others who are part of the Hillel community we might not know. Tilly's choice of topics was PERFECT and addressed so many character traits I've thought about and wanted to work on for so long. Starting a year grounded in these menach-like character traits was exactly what I needed to feel like 2021 was going to be a good year full of growth and relationship building.

Maya Levy ('24)

“Participating in Hillel's 2021 Spiritual Bootcamp offered a powerful opportunity to begin the new year grounded in self-reflection and Jewish teachings. I am grateful for the smooth transition between years that it facilitated and truly feel like I entered the new year with more thought and intention.

JEWISH LEARNING FELLOWSHIP

Alex Farfel ('23)

“The Jewish Learning Fellowship (JLF) was important to me during the isolation and difficulties of the pandemic. I thought it was important to stay in touch with one’s community and JLF provided a unique opportunity to interact with the Jewish community at the University of Michigan. I got to engage and bond with a diverse group of Jewish students while strengthening my connection to Judaism.

MAIZE & BLUE VIDEO GAME TOURNAMENT

Noah Rubinstein ('21)

“Maize and Blue Games organized a video game tournament during the Fall 2020 semester. Due to Covid-19, we were nervous that we would not be able to make an impact, but with the help of our club we planned and executed a great tournament. Overall we raised over \$500 for Covid-19 relief in Michigan!

VIRTUAL WORKSHOP WITH THE HOLOCAUST MEMORIAL CENTER

Mackensie Freeman ('21)

“In October, Students for Holocaust Awareness, Remembrance, and Education (SHARE) hosted a virtual workshop with the Holocaust Memorial Center (HMC) in Farmington Hills. The discussion focused on the role of Holocaust museums and how they fit into contemporary society. Led by the HMC's curator, Mark Mulder, and education specialist and Michigan alum, Aliza Tick ('12), nearly 30 students participated in the discussion of museum identities and their role in shaping our memory of the Holocaust. Students also had the opportunity to assist with future updates to the museum by sharing insights on what they find valuable in Holocaust museums and interactions with survivors.

CHARJEWTERIE

Molly Herckis ('23) & Alana Wilck ('23)

“ In partnership with MSU Hillel, we had the opportunity to attend the CharJewterie Board event. As the pandemic had made it difficult to forget the havoc of our stressful lives, this event was the perfect mix of fun and learning to completely take our minds off of our chaotic lives as college students. At the same time, we were able to have fun together and share our final product with our friends at Michigan and Michigan State's Hillels!

8KS OF CHANUKAH

Ben Fallick ('21)

“ During the Chanukah season, we wanted to offer some non-traditional, safe ways to interact with the holiday and our community. With so many students scattered across the globe, we decided to participate in the Ann Arbor 8Ks of Chanukah Race. This provided an opportunity for students to do something together, no matter where they were. Students signed up to run an 8K in one day or over the course of the 8 days of Chanukah. A great benefit of participating in the race was staying active and exercising while giving back to Hillel. Each Hillel participant's entry provided a donation back to Hillel of at least \$18 -- often more if they raised additional funds themselves, too. It was a big success and we thank all of our participants for challenging themselves!

SOCIALLY DISTANCED SUKKOT

Lucy Cosgrove ('24)

“Eating in the Hillel Sukkah, in a safe yet fun way, was a great experience. Being in a new environment with new people can be daunting -- but it wasn't this Sukkot. I was able to feel at home knowing how amazing my new Michigan Hillel community is and how much love they have for Judaism's rituals and traditions.

SOUNDS OF THE SHOFAR

Joel Greenfield ('24)

“I had the opportunity to blow the Shofar for a socially distanced service in the Arb and attend virtual Rosh Hashanah services with our Hillel's Reform community. It was a great way to celebrate the New Year at a time when many of the usual Rosh Hashanah traditions could not be observed. Blowing the shofar for this service was one of my first experiences with Hillel, and I'm looking forward to staying involved with Hillel in the future!

OUTDOOR ADVENTURE

Josh Slate ('23)

“Students unleashed their inner lumberjack and put the adventure back into Hillel Outdoor Adventure. After a year of quarantining and social distancing, we were able to safely gather at Axe Ventura in downtown Ann Arbor and enjoy a fun evening of throwing axes. Our members were able to learn from the axe professionals and compete against each other in a tournament style competition. It was a much needed event and a good way to end the school year.

SHABBAT

**I THINK SHABBAT HAS BEEN AMAZING
DESPITE THE CIRCUMSTANCES,
THANK YOU!**

**I HAVE LOVED THE SHABBAT MEALS I'VE
PICKED UP AND I LOVE BEING ABLE TO
COOK AND HOST SHABBAT AT HOME, TOO!**

REIMAGINED

“

THANK YOU SO MUCH FOR WHAT YOU DID FOR US THIS YEAR AND PROVIDING FLEXIBILITY TO PICK UP A HOMEMADE MEAL OR SUPPORT US IN COOKING AT HOME.

“

THE CHALLAH ROLLS! THEY ARE SUPERB. ALL OF IT IS DELICIOUS, BUT EVERY WEEK I LOOK FORWARD TO THE ROLLS, ESPECIALLY WITH THE BRISKET. MMMM...

“ Jake Rosenberg ('21)

Thank you for a great year of Shabbat meals. Friday dinners were the only time every week we were able to get everyone eating together at the same time and it was always very nice to be able to do that.

“ Tara Snapper ('21)

Hosting a Rosh Hashanah meal for my friends and housemates through Hillel's Host at Home program was a really great experience. I was able to cook a true holiday meal and it felt like I was a real young adult having people over for Rosh Hashanah!

“ Daniel Orlov ('21)

Host At Home allowed for me and others to sit down and enjoy a meal together every Friday night, during a busy time in people's lives. I thank Hillel for providing the means necessary to make that possible.

“ Ali Kantor ('22)

Hosting meals at home and going to other places really enhanced my college experience because it was a way to gather safely with other people and still create a sense of community.

Matt Levenson ('21)

I would just like to say how much we are truly enjoying this new house ritual! Every Friday everyone knows the “family” Shabbat dinner is happening. We go shopping together and all cook together. It is a really fun activity that we are now able to do together and have grown closer with our house and neighbors because of it.

FLAVORS OF ISRAEL

Josh Kornblum ('22)

“Our Flavors of Israel series was a large-scale, student-led undertaking during the fall semester. This week-long event was sponsored by Michigan Hillel and its student group, I-Lead, along with support from Hillel International and our local Federations. A virtual culinary journey, Flavors of Israel began with an online screening of *In Search of Israeli Cuisine*, followed by a student-led discussion. For our second event of the week, we spoke with Inon Tzadok, co-founder of Shuk Shuka, an Israeli and Palestinian co-owned marketplace that seeks to create community through food. We then invited participants to enjoy an Israeli-themed Shabbat featuring a selection of dips and salads. These events all set the stage for a more nuanced understanding of Middle-Eastern cuisine as we approached our keynote program, Soul Kitchen.

SOUL KITCHEN

Naomi Rosen ('23)

“As the finale of our Flavors of Israel series, Soul Kitchen went out with a bang! Noted Israeli chef, Hedai Offaim, was an incredible host. He was candid, funny, and blunt. Soul singer Ester Rada, matched his energy as she was free-spirited, yet collected and her voice was angelic. As I prepared to give my opening remarks as a student coordinator, I couldn't believe that it was me who helped put this event together. I was talking directly to two Israeli celebrities and to an audience of 100 people, yet I didn't even feel nervous. I felt comfortable, like I was hanging out, cooking in my kitchen with friends and family. I believe that sentiment really captures what we tried to create with Flavors of Israel. We wanted to bring people together through food and make them feel comfortable, as though they were at home.

ISRAEL REIMAGINED

SPEAKER SERIES: OUR RELATIONSHIP WITH ISRAEL

Emma Mati ('23)

“Something I took away from the Speaker Series was a greater appreciation for others' views on Israel. Oftentimes, we're just not in the right space - physically or mentally - to properly express our beliefs and opinions. The same goes for listening to others. The series taught me to have a lot more compassion for others and where they come from, for their opinions, and how they came to be.

JLF: BIG ISRAEL QUESTIONS

Sophie Einbund ('22)

“Taking this class has impacted me because I now feel more connected with my Jewish community here at Michigan. I had the opportunity to learn from my peers as well as my Hillel staff members, while simultaneously growing stronger in my own identity as a Jew.
