

Greetings
from

MICHIGAN HILLEL

2023-2024

Chief Executive Officer

Returning to the University of Michigan Hillel this past year to serve as CEO was a true honor and incredibly meaningful. From 2011-2018, I served as the Associate Director and am thrilled to be back. The rise of antisemitism on campus following the Hamas attack on Israel presented unprecedented challenges for our Jewish students. Yet, our community's spirit shone brightly. Hillel provided a safe haven and strength for thousands of students. Through shared traditions, meaningful discussions, and celebrations of Israel and Jewish life, we fostered a deep sense of belonging.

As a pluralistic organization, we celebrate the diversity of our Jewish community and strive to create spaces where every Jewish student feels valued and supported. Together, we explore the complexities of Jewish identity and the meaning of homeland. From our Jewish Learning Fellowship to Shabbat dinners, Hillel deepens the connection to Jewish life for thousands of students.

We are immensely proud of the way our students navigate these challenging times. Through it all, U-M Hillel remains a welcoming space where students explore Jewish identity, find solace, and build lifelong friendships. Your generosity allows us to create a nurturing environment where Jewish students can thrive and counter hate with hope.

Join us in the coming year as we continue to build a vibrant and inclusive Jewish community at Michigan! Go Blue!

Rabbi Davey Rosen

Governing Board President

Iknew that becoming the President of the Hillel Governing Board in the middle of a war would be a huge responsibility and a big challenge – but it was a role I was honored to step into and am grateful for the opportunity to help lead this incredible organization at Michigan. I am proud of all that we have accomplished this year: welcoming thousands of Jewish students into our community throughout campus this year; providing religious services, educational opportunities, social events, and cultural exploration; and working tirelessly to provide a space on campus for people to explore and express their Jewish identity. But, most importantly, we have supported each other, with the help of the Hillel staff, to strive to make our campus a better, more educated, and safer place for all. Thank you for all of YOUR support over the past year, and for all of the support yet to come. Go Blue!

Ryan Silberfein '25 (she/her)

Board of Trustees Chair

This was a year like no other for the Jewish community and Michigan Hillel, and we met the moment because of our incredible staff, student leaders, and supporters. On October 7th, when Jewish students were shaken to the core, our Hillel created a safe space for grieving and gathering. In the following months, we worked with students to navigate the growing antisemitic and anti-Zionist rhetoric on campus, often leveraging existing close ties with University leadership, including President Ono to advocate for our students. With all of this, though, I am most proud of how Michigan Hillel continues to be a thriving center of Jewish life on campus—offering religious services, social gatherings, peer-to-peer connections, and educational opportunities for all Jewish students. I am excited for the year ahead, and while it may be hard for the football team to win back-to-back national titles, with your continued support, I am confident we will have another outstanding year. Michigan Hillel is most certainly a leader and best!

Abbey Frank (she/her)

New Beginnings

FYSH

Hillel has given me a safe space to create deeper roots in my Jewish identity thanks to FYSH (First Year Students of Hillel). Whether it was providing internet or a delicious Shabbat dinner they have been there for me since the beginning of the semester as a freshman which has meant so much.

Michael Reifman '27

I am so grateful for Hillel and the way the students and staff have helped me adjust to college! Hillel is a safe space for all Jewish students on campus, and I truly appreciate Hillel's efforts to make sure every student on campus feels supported.

Hannah Herbst '27

FreshConnect

Hillel has provided me with various opportunities to meet new people and make some of my best friends. My best friend at Michigan was someone I met on the last day of the Hillel Orientation Retreat who I happened to sit next to at lunch.

Mia Robbins '27

Early Move-In Retreat

Hillel has allowed me to find my place within the larger Michigan community. I did the Hillel Early Move-In Retreat, and it was probably the best decision I made coming to Michigan. I made so many Jewish connections and found my closest friends through the retreat. All the staff are so welcoming, and Hillel provides so many opportunities to get involved and gain leadership within the community.

Ashley Lebovitz '27

Havdallah Unplugged

At Havdallah Unplugged, we enjoyed the talents of our Jewish student community. The incredible acts featured everything from singing, instrumental, and comedy talents. We enjoyed delicious cinnamon rolls, hot chocolate, and other kosher snacks. The comfy atmosphere was filled with candles, fairy lights, and bean bags.

Emily Mills '25

Purim Carnival

I loved walking into the Purim Carnival and seeing so many other students excited about celebrating Purim! Plus, having a giant bounce house made me feel like a kid again, and I had a blast. Overall, the Purim Carnival was one of the best Hillel events put on by the Major Events Committee that I went to because of the activities and atmosphere.

Daniel Bernstein '26

Nice Jewish Ball

The Hillel Major Events Committee put on our Nice Jewish Ball this year at Rick's American Cafe! The theme was Bar/Bat Mitzvah so we had a candy bar, custom cups, and shirts for everyone in attendance and classic 2010s music! It was so much fun to dress up, dance and celebrate with friends!

Estee Moss '25

Student Groups

Hillel Sustainability Club

Hillel Sustainability Club hosted a trivia night with interesting environment-related and sustainability-related questions. Students competed to get the most correct answers to win various plant prizes and enjoyed vegetarian snacks throughout the event as well. Trivia night was so much fun to participate in and everyone left the event smiling!

Marlee Sacksner '25

Hillel Hoops

Hillel Hoops was an amazing way for me to meet new Jewish students who all love basketball just as much as myself. It gave me something to be excited about my whole year

Merrick Michaelson '27

Hillel Outdoor Adventure

Hillel Outdoor Adventure's Jews in Canoes was one of the first activities I did to involve myself in Hillel, and it was evident from the moment I arrived that I had joined a creative and inclusive community. Everyone was welcoming and excited to try something new and meet new people! We took a short drive to the riverhead and got into canoes and went down the rapids! It was an awesome way to start making connections within Hillel and also talk about our interests elsewhere. I had so much fun meeting new people and it motivated me to get involved with all that Hillel has to offer.

Zoe Cosgrove '27

MedX

This year, MedX, the Jewish prehealth club, started an enriching mentorship program connecting aspiring healthcare professionals with experienced mentors, fostering invaluable guidance and networking opportunities. MedX also organized a memorable Doctor Dinner, providing members with the opportunity to engage in insightful discussions and gain insights into various medical specialties from seasoned practitioners in the field.

Alexia Steinberg '26

JEngA

JEngA (Jewish Engineering Association) hosted a brand new event this semester, which turned out to be one of our greatest hits and one we will definitely bring back! L'Chaim and Legos was an evening spent enjoying the finest glasses of sparkling apple juice, a luxurious assortment of Trader Joe's snacks, and assembling Lego sets of cute animals. The whole time, the room was filled with laughter and interesting conversation, bringing together our small community of Jewish engineers and their friends.

Ian Rosenberg '25

JPLA

At our Jewish Pre-Law Association Bagel Brunch with law students, we were able to learn about the Michigan Law experience, learn about getting into law school, and widen our knowledge on the many areas of law expertise. This was such a unique opportunity for the members of JPLA, putting into perspective how large the legal field really is and what the future may look like for prospective law students.

Al Whitmore '26

JBA

The Jewish Business Association hosted various events from resume workshops to speaker events to even a Shark Tank-style competition! It was wonderful to be able to bring together a community of students that were Jewish and interested in business.

Ella Kaplan '26

Shabbat & Holidays

High Holidays

High Holiday services are some of the most meaningful events of the semester. This year, I attended both Reform and Conservative services and felt an overwhelming sense of community and security while in attendance. Being able to go with a friend or by myself to these services brings an important part of home to Michigan and is an experience that I'm lucky to share with others in attendance. Whether it's your first or hundredth service, Hillel has a way of making the High Holidays a time of embracing Jewish community and connection.

Lexie Meltzer '25

Passover Palooza

In a time of heightened fear and anger, it was nice and meaningful to have Passover Palooza, which allowed us to come together to celebrate Jewish joy in a public and accessible way. We had fun in community, while also showing people walking by on the Diag a window into celebrating Pesach—an aspect of Jewish life that people are less familiar with.

Elianna Kruskal '25

Passover Host at Home

Hosting a Seder taught me a lot about educating others about Judaism and the power of sharing a meal. It also taught me about the importance of chosen family and the power of getting to share your culture with others.

Matthew Szabo '26

Shabbat Fellowship

I really enjoyed the Shabbat Fellowship because it provided me with the opportunity to learn how to host my own Shabbat dinners and about the importance of the Sabbath. In general, I have made so many friends through attending Hillel Shabbat services! It's my favorite place to be on Friday night.

Addy Gordon '24

Hanukkah

It was so wonderful to get to take a break in the studies for finals and participate in a warm, joyous candle-lighting on the Diag with my extended Hillel family (and eat yummy sufganyot!!).

Naomi Jaroslaw '26

Shabbat Host at Home

One of my friends came up to me the next day and said that she went home and told her roommates about the Seder and how nice it was, which made me feel really great as a host.

Elizabeth Cushnir '25

I made my mom's matzah ball soup for my Host at Home, and she was so proud of me! I loved hosting.

Arianna Stassa '24

Religious Life & Shabbat

This past year, Hillel at the University of Michigan continued a vibrant practice of religious life programming through a framework of pluralism and inclusion. We have hosted Shabbat morning services with creative planning and participation to involve students who identify as both Reform and Conservative, multiple Havdallah gatherings with music and Jews of all backgrounds, and different learning sessions exploring Jewish identity and pluralism. The success of these programs is a group effort from staff, student leaders, and participants who enjoyed learning with and from each other, and built relationships across religious communities at Hillel.

Matan Berg '27

Student Experiences

Volunteering

Volunteering through Hillel is a great way to meet others in our Jewish community on campus while making a positive impact on the Ann Arbor community. I loved getting to know the amazing organizations in the area and support them through the Hillel Volunteering Committee.

Izzy Cimmino '27

Antisemitism Awareness

Jewish Identity and Antisemitism provided me with an amazing opportunity to meet other

Jewish Identity, Antisemitism, and Us

Jewish students and discuss relevant Jewish issues. It also supplied me much needed relief from current polarizing political tensions where I felt comfortable expressing my

Jewish identity and sharing my experiences. Overall, I am happy to have made valuable connections with my peers that will last beyond this class!

Alex Rosenblatt '27

Life's Big Questions

Life's Big Questions was such an amazing experience! I enjoyed coming every week to learn a new lesson from the Torah and talk about how it related to our own lives. The Hillel staff and other participants helped to create a welcoming and warm atmosphere every week. I'm very grateful for my experience!

Arin Hirsch '25

SLR

I am so happy I finally got to join Haley's Sex, Love, and Relationships class this year! It's very up my alley to discuss these modern topics through the lens of Jewish texts with my friends and peers.

Ava Hammerman '26

Senior Seminar

Senior Seminar quickly became a highlight of my week. Sharing a meal with friends – while having the opportunity to make new friends as well – was always a treat during an otherwise pretty stressful time. And both because of Rav Lisa's teaching and my peer's insightful comments, many questions about the various facets of my post-graduate life were answered at Senior Seminar. But I will come away with the knowledge of something even more important: thanks to our Jewish texts and traditions, the answers to many of life's difficult questions are always accessible to me.

Elior Waskow '24

Wellness

During my summer in Israel, I did a lot of Zumba at the Tel Aviv beach. I wanted to recreate that memory at Hillel with my freshman year roommate since we are both Zumba instructor certified. We taught the class right before finals week as a wellness event/stress reliever. It was so fun to dance with our friends and listen to Israeli music! We would love to bring back this event in the 2024-25 school year.

Greta Loewenthal '25

Book Club

I really liked reading books by Jewish authors and/or with Jewish content with people from our community whom I would not have met otherwise!

Haley Mozen '24

Israel Groups & Events

Israel Week

I think that with the tensions and stress our community has weathered over the last few months, the opportunity to celebrate such an important part of our identities in a cultural setting is invaluable. Israel Week was the perfect time to bring our kehilah (community) together for fun, social events centered around an appreciation for Israeli culture.

Elijah Wiseman '25

A table at Shabbat Dinner at Hillel in honor of the hostages being held in Gaza.

Israel Education

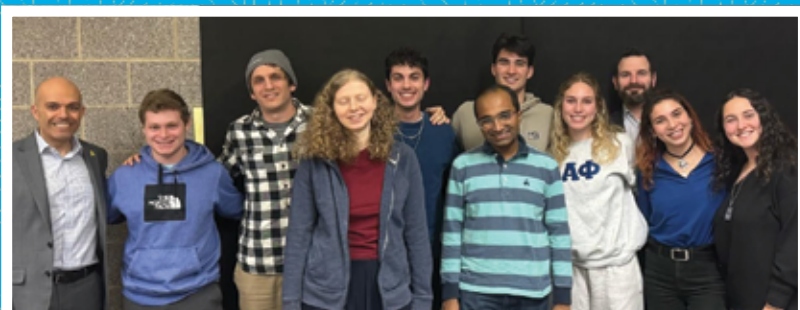

We worked with other Hillel clubs, our incredible Hillel staff, and organizations across campus to provide processing spaces, dialogue between Jews with various ideologies, educational events, and political advocacy opportunities. Moreover, we ensured that our voices were heard as we penned op-eds for journals in Ann Arbor and nationwide, utilized our seat at the table with representatives and school administration, and fought for what we knew was right on social media. All in the name of mutual self-determination, humanity, and peace.

Matan Berg '27

Israel Advocacy

Being a pro-Israel leader for Wolverine For Israel on campus is extremely rewarding. When we see the impact we have on students, we know we're making a difference.

Evan Cohen '25

Onward

Onward was an incredibly meaningful experience. Getting to immerse myself in Israeli culture both personally and professionally with an 8-week internship was truly a once-in-a-lifetime opportunity. Onward provided me with a new community of students who care deeply about Israel.

Ilana Propp '26

Birthright

Going on Birthright was incredibly meaningful to me both for the deep connection I feel through my Jewish heritage but also for the significance of being in Israel at this current moment in time. I deeply value this opportunity to learn about Israel's people, culture, and history with my own eyes. At a time when there is so much division and uncertainty, being able to appreciate Jewish history and celebrate Jewish joy was more important to me than ever.

Becky Woolf '24

Home & Homeland

Teaching "Home & Homeland" was an incredibly special and personal experience for me. Discussing our roots, the meaning of "home" for Jewish people, and exploring themes like peoplehood and ethnicity allowed us to reflect deeply on our personal narratives and values. Hearing students' perspectives on identity and belonging made me feel more connected and inspired by the sense of community we created.

Dialogue & Identity

Challah for Hunger

I liked being involved in Challah For Hunger because it was a fun way to meet new people and be involved with the Jewish community on campus. I loved being able to take a break from studying and feel like I was making a difference on campus and the environment as a whole while also creating a stronger connection to my Judaism as well.

Jaclyn Todromovich '27

AHAVA

AHAVA is a student organization by and for trans, queer, LGBTQI+ Jews. Ahava means love in Hebrew, and as a group dedicated to the intersection of identities, we are committed to nurturing a loving, interdependent community that celebrates and honors each other through social events, learning opportunities, emotional support, and creative, ritual space.

Jewish Feminist Circle

The Jewish Feminist Circle has become my cherished safe space on campus, allowing me to explore my religious, spiritual, and cultural connections to my Jewish identity in an inclusive environment. This vibrant community provides a platform to meet college students looking for community and spiritual engagement.

Rachael Hymowitz '25

SHARE

As the grandchild of Holocaust survivors, it was important to me when coming to Michigan to find ways to honor my grandparents' legacy, and SHARE (Students for Holocaust Awareness, Remembrance, and Education) was the perfect way for me to do just that. SHARE was one of the first clubs I joined when I got to Michigan my freshman year, and I was amazed by the robust programming that students would organize with survivors in the Ann Arbor and Detroit Metro areas. I continued to stay involved with SHARE throughout my senior year, becoming President and having a firsthand role in organizing the 3rd Annual Conference on Interdisciplinary Approaches to Holocaust Commemoration. Not only did SHARE enable me to forge new connections to my familial history, but it also gave me some of my best friends from my time at Michigan. I can undoubtedly say that the community I developed throughout my four years with SHARE was essential to finding my place at Michigan.

Russell Jacobs '24

We were just very honored to have had Dr. Hildebrandt here. Her work had inspired my senior thesis on medicine in the Holocaust, and she is really a pioneer in this history. It was especially meaningful to hear from her firsthand.

Sydney Kaplan '24

As a Jewish student intending to major in public health, the SHARE conference event with Dr. Sabine Hildenbrandt helped me explore the intersection between my identity and my intended career. As a Jew, I think it's really important to be educated on my own history. I was also specifically fascinated by her topic because I'm hoping to get into the medical field.

Lynn and Skip Schrayer

Lynn and Skip Schrayer's commitment to the University of Michigan Hillel is literally L'Dor V'Dor, from generation to generation. Both of Skip's grandfathers were Wolverines and every generation down on both sides of the family, including the Schrayers' three children, have proudly worn the Maize and Blue. When their oldest child was a freshman, they began to discover the magic and community of Michigan Hillel. Lynn was asked to join the Board of Trustees and over the next six years learned the depth and breadth of how Michigan Hillel serves the Jewish student population.

"We support Hillel through a legacy gift because EVERY Jewish student needs to know that Hillel is here for them,

especially now" said Lynn. "They need to know there is a safe, Jewish space where they can be authentically Jewish, celebrating holidays, creating community, learning, studying for classes and being able to just be themselves."

"Skip and I are committed to doing our part to ensure Michigan Hillel is that place now and for generations to come. No Jewish student should feel alone on campus. We have always taught our kids the concept of Tikkun Olam, repair the world, and leave it better than you found it. By being a member of the L'Dor V'Dor Society at Michigan Hillel, we hope to set an example for those families who come after us."

L to R: Sophie Glassman ('22), Joey Schrayer ('22), Eli Schrayer ('19), Danielle Epstein ('19), Annie Schrayer ('17), Brian Harlan (Enthusiastic Michigan Fan!), Lynn Schrayer ('81), Skip Schrayer ('80)

Through deeply-touching legacy gifts, dozens of supporters in our L'Dor V'Dor (Generation to Generation) Society will have an everlasting impact on furthering our mission. These legacy supporters have chosen to care for our students by naming Hillel in their will, investing through charitable gift annuities, establishing endowment funds for programs that speak to their hearts and more. These donors have established funds to help support Shabbat programming, Welcome Week student

engagement, and Jewish education, to name a few. In addition, we are deeply touched by the philanthropic spirit and generosity of our legacy supporters through Hillel's participation in the Ann Arbor Jewish community LIFE & LEGACY program. Thank you for always thinking of our students. Beginning in 2025, we will be shifting to
a twice yearly newsletter format at the
end of every semester. We are excited to
showcase our student programming on
campus each semester and highlighting
our exceptional Hillel leaders. We look
forward to sharing their stories with you.

My time at Michigan Hillel was amazing and invaluable! Whether I was attending a JLF class or a Shabbat dinner, I always found such a wonderful community of friends and mentors. My Senior Seminar class with Rav Lisa and time on the Senior Legacy Committee with Sarah really inspired me to continue learning about Judaism and to pursue a role at Hillel post-graduation. Michigan Hillel was a fantastic place to explore Jewish life as an undergraduate, and I can't wait to step into my role as a Springboard Fellow at the Brown RISD Hillel in Providence, Rhode Island for the 2024-2025 school year!

Michigan Hillel is the reason I'm a Jewish professional today! Hillel is where I found a supportive environment to explore my Jewish identity and contribute to a vibrant Jewish community throughout my four years at the University of Michigan. From my first semester on campus as a participant in JLF, to then serving as a student facilitator for the course, my passion for Jewish learning was nurtured at Michigan Hillel. My learning at Hillel extended beyond the classroom to programs including Schmooze with Sarah and Rav Lisa's Shabbat dinner table where I found both camaraderie and new traditions. These are the foundational elements of my Hillel experience that I will bring with me to Austin as I begin my role as a Springboard Ezra Fellow at Texas Hillel this fall.
